Code of Conduct, Policies, Regulations, & Reports

Academic and Conduct Guidelines

Montana State University expects each student to maintain acceptable standards of behavior on campus and in the community and to manifest a serious purpose by maintaining a satisfactory scholastic standing in the courses undertaken. No student who shows persistent unwillingness or inability to comply with these requirements will be permitted to continue his or her affiliation with the University.

A complete statement of the guidelines and procedures concerning academic integrity and student conduct is contained in the Student Code of Conduct (http://www2.montana.edu/policy/student_conduct) .

The following identifies the responsibilities of all MSU students as defined by the Student Code of Conduct. The entire code of conduct can be found at www2.montana.edu/policy/student_conduct/ .

Student Responsibilities

Academic Expectations

Students must:

1. be prompt and regular in attending classes;
2. be well prepared for classes;
3. submit required assignments in a timely manner;
4. take exams when scheduled, unless rescheduled under 310.01;
5. act in a respectful manner toward other students and the instructor and in a way that does not detract from the learning experience; and
6. make and keep appointments when necessary to meet with the instructor. In addition to the above items, students are expected to meet any additional course and behavioral standards as defined by the instructor and listed in the syllabus.

A student officially representing MSU in athletic events, government, performance, or in similar official capacities, is entitled to the rescheduling of exams or important assignments due to required absences, only if a student has met the academic expectations outlined in section 310.00 of the Student Conduct Code. Students who do not meet the academic expectations, however, may not be entitled to special accommodations. Students are expected to provide course instructors with official notification of scheduled activity(ies) as early as possible, preferably at least ten (10) days in advance of the event.

Students participating in official MSU activities should not expect any special accommodation for attendance at regularly scheduled practice sessions or meetings (i.e., the routine activities required for performance, athletic pursuits, etc.).

Assistance

Students should seek assistance from the instructor and from the appropriate University support services (e.g., tutors, study skills counseling, career development, etc.), if the need for such services arises.

Evaluation

Students should follow fair and appropriate procedures when evaluating their courses and instructors. Factors such as race, ethnicity, color, religion, sex/gender, sexual orientation or preference, age, national origin, disability, marital status, political beliefs, veteran status or personal relationships may not be considered.
