Housing

The Housing Enterprise within the Auxiliary Services Division is made up of smaller departments including Residence Life and Family & Graduate Housing. These two departments work collaboratively with the Food Services and Residential Networking departments to provide a comfortable and safe environment for those students and families living on-campus at Montana State University. We encourage you to look at the additional tabs for more information pertaining to these various departments and entities.

Residence Halls

Montana State University offers convenient and affordable on-campus housing for students. The Residence Life Department is committed to providing an environment which is socially stimulating while enhancing the academic experience of the students who live on campus. Students with fewer than 30 earned credit hours (while in a residence hall setting) are required to live in the residence halls. Prospective students are urged to submit an application at the earliest possible date since assignments are made in the order they are received. A limited number of single rooms are available.

Living Options

There are many living options available that encompass academic and social enrichment for our residents; however, living options do change from year to year, based on student need, academic interest areas, and national trends. Our current living options are listed below:

1. Male Hall (Langford)
2. Female Hall (Hapner/Hannon)
3. 21 and older building (Johnstone)
4. Co-ed Hall: Co-ed living environments are comprised of both men and women living on either separate floors or separate wings of the same hall (Mullan, South and North Hedges, Roskie, Johnstone).
5. Emerging Leaders Floor: Housed in South Hedges, this co-ed option is open to students enrolled in the Leadership Fellows program. Members of this community have the unique opportunity to learn and practice their individual style of leadership.
6. Academic Theme Floors: Dedicated to academic success, Residence Life offers floors designed to assist students with common majors. Currently, Business, Arts and Architecture, and Engineering floors are scattered throughout all seven halls.
7. Deluxe Floors: Roskie Hall is the home of two newly remodeled sophomore and above floors. These floors consist of single rooms with the same square footage as a double room in Roskie.
8. Sophomore and Above Floors: This quiet, yet active, living option provides an opportunity for those students who want a change of pace from the traditional freshmen energy.
9. Sophomore and Above Floors: Designed to meet the needs of all second year students by creating programs that deal directly with the issues they are currently facing.

Please visit the Residence Life website www.montana.edu/reslife, contact the Residence Life Office at 406.994.2661, or email housing@montana.edu for the specific halls and floors which provide the living options outlined above.

Facilities

Room Equipment and Furnishings

All rooms have closets, extra long twin beds, chests of drawers, study desks, waste baskets, chairs, and window coverings. Each room is wired for cable television. A mattress pad and a pillow are provided for each student. Also, a linen service is available for residents, providing sheets and pillow cases. These items can be exchanged once a week for a clean set of linens. It is the responsibility of the residents to maintain order and cleanliness in their rooms.

Laundry

Laundry rooms exist in every hall with the exception of the North Hedges Suites and are equipped with Cat Card-operated automatic washers and dryers. Ironing boards and a limited number of irons are available at the hall desks.

Residence Hall Association (RHA)

All students residing in the residence halls are members of the Residence Hall Association. Organized on floor, hall, and inter-hall levels with programming, judicial, and governmental committees, RHA strives to uphold and promote the interests of students residing in the residence halls and to provide an active voice in residence hall administrative policy and operating procedures.

Visitation Policy

Members of the opposite sex may visit in the privacy of individual rooms. Cohabitation is prohibited.
- Definition of a resident, as it pertains to this policy: A student who has contracted with the university to live in a specifically assigned hall and room for a designated period of time.
- Definition of visitor: Visitors are in the room for less than overnight periods. They may use the facilities in a manner in which they would not be considered regular hall residents. They do not sleep in the room. Visitors are subject to university regulation.
- Definition of guest: Guests pay room rental fees and are provided facilities and sleeping accommodations for a period not to exceed three (3) days. Guests are considered hall residents for the duration of their stay and are subject to university regulations.

In an effort to accommodate a variety of student lifestyles, the residence halls offer twenty-four hour visitation, in which residents may have visitors at their discretion and with the consent of their roommate.

Personal Funds and Property

Students are urged to help safeguard their personal funds by establishing local checking accounts. All other valuable personal property should be adequately protected. Montana State University is not insured nor responsible for the loss or destruction of any personal property of students. Students are encouraged to carry their own personal property insurance. Montana State University has strict regulations regarding firearms on campus; contact the Office of Residence Life for details.

Board Charges and Meal Plans

All residence hall students are required to participate in a meal plan. Meals are not served in the residence halls during Thanksgiving Break, Winter Break, and Spring Break, which is reflected in the meal plan charges.

Semester Charges

Prices for the current academic year/semester can be obtained through the Residence Life website www.montana.edu/reslife.
In addition to these meal plans, off-campus students (only) have the option to purchase a variety of commuter meal plans.

Pricing for additional room options are available at the Residence Life Office and University Food Service Office.

Note: Charges listed are estimates for the academic year/semester and are subject to change without notice.

Payment of Charges
Room rent, board, ResNet, and the RHA social fee are paid in full at the beginning of each semester during fee payment. Installment payments for room and board must be arranged in advance with the Office of Student Accounts. There are no deductions for room or board for late arrivals (at the beginning of the semester) or for early departures (at the end of the semester).

Application for Housing
Apply online at www.montana.edu/reslife.

Prepayment
A $200 prepayment is required when submitting a Residence Hall Application. The University will not process housing requests until the student has submitted a completed housing application and the $200 nonrefundable prepayment. The $200 will be applied to the total housing costs upon payment of fees.

Prepayment Forfeiture
Failure to occupy the room or cancellation of the contract before or during the contract period will result in the forfeiture of the $200 prepayment.

Refunds of Room and Board Payments
Students who terminate class registration during a semester will receive a prorated refund of their board and room payments.

There are no refunds for early departures at the end of the semester or late arrivals at the beginning of the semester. Rooms are held until the first hour of classes on the first class day of the semester.

A student who is absent from his/her residence hall for one or more weeks of consecutive meals due to his/her own illness or participation in University-sponsored activities will be refunded board at $2 per meal, provided the student notifies the University Food Services Meal Pass Office in advance of the University-sponsored activity. Requests for refunds based on absence due to illness must be submitted to the Residence Life Office, accompanied by a statement from the Director of Student Health Services, or the student’s own doctor, indicating required hospitalization or home care.

Exemptions from On Campus Living
All incoming freshmen with fewer than 30 credits earned in a residential setting are required to live on campus for their first two academic semesters. However, there are some criteria that, if met, may qualify a student for an exemption from living on campus. Qualifications for exemption are as follows:

1. Married
2. Single Parent
3. Have completed one full academic year at MSU
4. Have completed one full academic year at another college/university
5. Have a special hardship
6. Will be living at home with an immediate family member (mother, father, brother, sister)
7. Will be taking fewer than six credit hours
8. Have other extenuating circumstances.

To initiate the exemption process, you must submit the required written documentation. This must be received by the Residence Life Office prior to the academic period requested. Exemptions received after the start of any term will be considered, but rarely approved.

Part time students (3 - 11 credits) wishing to live on campus may be granted a waiver. Please contact the Residence Life Office at 406-994-2661 for more information.

The specific opening/closing dates for the residence halls will be sent to students with their room assignments. If this information is needed earlier, please contact the Residence Life Office at 406-994-2661, housing@montana.edu or www.montana.edu/reslife.

The residence halls will be closed during Thanksgiving Break, Winter Break, and Spring Break. Students may request University housing during break periods for an additional fee. Ronnie Hall, Johnstone Hall, the Freshman Apartments, and the North Hedges Suites will remain open to accommodate students requesting break housing. Students not currently living in one of the previously mentioned halls will be required to move to an unoccupied room in one of the breaking housing halls. Other halls will only remain open based on the discretion of the Residence Life Administration. Guests are not allowed during break periods.

Work Opportunities
For students needing to work while attending Montana State University, there are a number of employment opportunities available in residence halls, at front desks, and with the various food services on campus. Information regarding employment may be obtained by contacting the Residence Life Office and University Food Service. Work study/financial aid status is not necessary to qualify for student employment.
