BMKT - Business: Marketing

BMKT 112 Applied Sales: 3 Credits (3 Lec)
This course will provide the foundation for understanding sales. Students will understand the tactics for researching prospects, identifying and qualifying leads, and methods for successful negotiation with customers. Particular attention will be paid to understanding mindset and habits to succeed in sales situations in a small business setting.

BMKT 225 Marketing: 3 Credits (3 Lec)
Students will learn and understand marketing, the process through which organizations analyze, plan, implement, and control programs to develop and maintain beneficial exchanges with target buyers. This course covers fundamental marketing terminology, concepts and strategies including product development, consumer behavior, research, target markets, pricing, channels of distribution, promotion and marketing plans. Repeatable up to 3 credits.

BMKT 240 Advertising: 3 Credits (3 Lec)
In this course students will examine how advertising contributes to the overall success of marketing a product, service or organization. Professionals in advertising need to understand how communication goals are achieved through understanding the target audience and ensuring appropriate messages are delivered through strategically selected media channels. Students will display an understanding of the strengths and weaknesses of each communication channel and why it is critical to developing an effective advertising plan. Participants will apply readings to be able to critically evaluate the advertising channels and develop a plan based on a hypothetical budget and target audience.

BMKT 241 Sales: 3 Credits (3 Lec)
