The Master of Music in Music Education is designed for currently licensed, practicing music teachers. The degree can be completed 100% online, allowing music teachers to earn an advanced music degree on their own time, while continuing their teaching careers. The MMME curriculum emphasizes practical applications of music and music education content in K-12 music classrooms. Through the MMME, teachers will enhance skills, improve students' achievement, and increase earning potential. This professional degree program is accredited by the National Association of Schools of Music (NASM).
