

Master of Arts in Teaching

The Master of Arts in Teaching is a professional graduate program designed for applicants with a bachelor's degree in a field outside education to complete pedagogical coursework and field experiences required for initial educator licensure recommendation to teach in Montana's public elementary or secondary schools. Each distinct licensure track in either elementary or secondary education is a professional master's degree program that is completed over four-to-six semesters, depending on the field experience pathway chosen.

The MAT at MSU-Bozeman is distinguished from other similar programs in that it has an intentional focus on place-conscious approaches to teaching with an emphasis on teaching in Montana's rural school districts.

The Master of Arts in Teaching program offers two field experience pathways: one for those individuals seeking a traditional student teaching experience, and another pathway for those hired to teach in a Montana public school provisionally (through Class 5 licensure). Please reach out to program staff or the Master of Arts in Teaching website for information about this pathway.

EDCI 554	Methods of Secondary Teaching	5
Field Experiences		
EDCI 595	Student Teaching	6
EDCI 598	Internship	1
Total Credits		36

Applicants to the Master's of Arts in Teaching program will be required to submit an application containing the following components (all are required):

- Online application to Montana State University Graduate School with \$60 fee (<http://www.montana.edu/education/grad/mat/>).
- Submit official transcripts from all institutions of higher education attended.
- Endorsement Verification Form for required endorsement area sought (<http://www.montana.edu/education/grad/mat/matendorsement.html>) – must be approved by program faculty prior to admission
- Official score for Praxis Content Area Exam (<http://www.montana.edu/fieldplacement/praxis/>) required for endorsement area sought
- Personal Statement (**use template from Endorsement page**)
- Submit Resume/CV containing all previous work experience and education, with relevant work with youth included
- Submit 3 Letters of Recommendation, minimally one from each category
 - Current/previous employer
 - Personal (particularly if the recommender can speak to applicant's previous experience working with youth) or academic

International Applicants will need to follow the Montana State University Graduate School policies for admission, including required English language proficiency exams TOEFL/IELTS (http://www.montana.edu/gradschool/policy/admissions_intl.html).

Elementary Education Track (<http://www.montana.edu/education/grad/mat/matelementary.html>)

Students admitted to the Master of Arts in Teaching Elementary Education track will pursue coursework leading to recommendation for licensure in Elementary Education K-8. Elementary teachers are licensed to teach in a self-contained classroom in Kindergarten through 8th Grade.

Students admitted to this track will be required to complete or show transcript evidence of six credits of prerequisite coursework (below) in the Spring semester prior beginning their MAT degree program. Prerequisite courses are offered in the Spring semester. All admission

offers to the Elementary Education track are provisional pending successful completion of the following two courses:

M 419 Ratio and Proportion in School Mathematics

EDCI 561 Language Acquisition: Decoding and Encoding

Secondary Education Track (<http://www.montana.edu/education/grad/mat/matsecondary.html>)

Students admitted to the Master of Arts in Teaching Secondary Education track will pursue coursework leading to recommendation for licensure in one of the areas of endorsement offered (English, Mathematics, General Science Broadfield, Social Studies Broadfield) for grades 5-12. This track allows teachers to teach in the subject area grades 5-12.
