

# Montana State Online

Whether you're on campus or around the world, MSU offers every student a hands-on, active learning environment and a welcoming "Mountains and Minds" attitude. Online degree and certificate programs present a flexible choice for many students. Our team is here to help you find the best course of study to achieve your goals; information on tuition, registration and grades; and support and best practices for succeeding as an Online Bobcat.

## Admission

To take an online course or to enter an online degree or certificate program, an applicant needs to *formally* apply to MSU as an undergraduate (<https://www.montana.edu/admissions/>) or graduate (<https://www.montana.edu/gradschool/>) student.

## Learning Management System

Online courses at MSU are delivered using the Canvas (<https://ato.montana.edu/canvas/>) system.

## To learn more about being an online student:

Please visit Montana State Online (<https://www.montana.edu/online/>). Or, visit MSU's Programs and Degrees (<https://www.montana.edu/academics/>) website and select "Online Programs" in the Degree Type menu.
