**Montana State Online**

Whether you're on campus or around the world, MSU offers every student a hands-on, active learning environment and welcoming "Mountains and Minds" attitude. Online courses, degree programs and certificate programs present a flexible choice for many students. Our team is here to help you find the best course of study to achieve your goals; information on tuition, registration and grades; and support and best practices for succeeding as an Online Bobcat.

**Admission**

To take an online course or to enter an online degree or certificate program, an applicant needs to formally apply to MSU as an undergraduate (https://www.montana.edu/admissions/) or graduate (https://www.montana.edu/gradschool/) student.

**Learning Management System**

Online courses at MSU are delivered using the Learning Management System (https://ecat1.montana.edu/). Or, visit MSU’s Programs and Degrees (https://www.montana.edu/academics/) website and select "Online Programs" in the Degree Type menu.
