

# The Graduate School

## Vision

The Graduate School strives to foster an environment that produces outstanding graduate scholars who contribute new ideas and knowledge using creative and innovative approaches to solve challenges in an evolving world.

## Mission

The Graduate School enriches the graduate student experience by providing excellent service, timely oversight, and relentless advocacy for student success.

## Welcome from the Dean of The Graduate School

*Dr. Karlene Hoo, Dean of The Graduate School*

The Graduate School welcomes you to Montana State University. We are delighted that you have chosen MSU. Graduate school is a place where you will gain expertise in your field and prepare to become the scientists, engineers, nurses, educators, agronomists, artists and architects of tomorrow.

When you become an MSU graduate student, you become an essential part of the university by conducting cutting edge research, assisting in instructional teaching, and making significant contributions to your field of study.

We invite you to explore the MSU website to learn more about our outstanding graduate programs, the exciting and challenging opportunities afforded graduate students, and the eclectic community of Bozeman, Montana. The Graduate School staff and I are committed to helping you succeed at all points throughout your education and welcome your questions and comments. We can be reached at 406-994-4145, [gradschool@montana.edu](mailto:gradschool@montana.edu).

## Graduate Programs

For detailed information about The Graduate School at MSU, visit the webpage (<http://www.montana.edu/gradschool>). The master's, doctoral, and certificate offerings are listed below, along with links to each academic department's webpage. To find out more about a specific graduate program, please contact the department.
