

Housing

University Housing is made up of smaller departments including Residence Life and Family & Graduate Housing. These two departments work collaboratively with Culinary Services and Residential Networking departments to provide a comfortable and safe environment for those students and families living on-campus at Montana State University.

We encourage you to look at the additional tabs for more information pertaining to these various departments and entities.

Residence Life

Residence Halls

Montana State University offers convenient and affordable on-campus housing for students. The Residence Life Department is committed to providing an environment which is socially stimulating while enhancing the academic experience of the students who live on campus. Students with fewer than 30 earned credit hours (while in a residence hall setting) are required to live in the residence halls. Prospective students are urged to submit an application at the earliest possible date since assignments are made in the order they are received. A limited number of single rooms are available.

Living Options

There are many living options available that encompass academic and social enrichment for our residents; however, living options do change from year to year, based on student need, academic interest areas, and national trends. Our current living options are listed below.

1. **All Female Halls** (Hannon/Hapner)
2. **All Male Hall** (Langford)
3. **Co-Ed Halls:** Co-ed living environments are comprised of both men and women living on either separate floors or separate wings of the same hall (Headwaters Complex, Johnstone Center, Mullan, South Hedges, North Hedges, Residence Life Apartments, Roskie, and Yellowstone Hall).
4. **Living Learning Communities (LLCs):** Dedicated to academic success, Residence Life offers floors designed to assist students with common majors or lifestyles. Currently, Business, Creative Arts, Emerging Leaders, Engineering, Honors, Sense of Place, and Well-Being are scattered throughout all of the residence halls.
 - a. **Business LLC:** The Business Living Learning Community is designed to provide career exploration and exposure to other majors/minors that allow for a career in the business field. Residents will have access to in-hall academic advising, study sessions, and evening presentations by business faculty and local business leaders. This living option is co-educational. (South Hedges)
 - b. **Creative Arts LLC:** The Creative Arts Living Learning Community is open to any student interested in the creative arts. Recently, the lounge space was remodeled to accommodate a workspace for creating models and completing art projects. This living option is co-educational. (South Hedges)
 - c. **Emerging Leaders LLC:** The Emerging Leaders Living Learning Community is a space for residents to explore their role as an emerging leader. As a member of this community residents will have the unique opportunity to learn and practice their individual style of leadership. This is a collaboration between Residence Life and the Leadership Institute to provide programming and mentorship throughout the year. This living option is co-educational. *Students living on the floor must enroll in the Leadership Fellows program and enroll in a special section of UC 102 during the fall semester.* (South Hedges)
5. **Mixed Gender Housing:** Montana State University is committed to creating a culture of intellectual and personal growth. Because learning is enhanced when topics are examined from diverse perspectives and because individuals possess unique outlooks which reflect the world around us, Montana State University is dedicated to creating an inclusive community that embraces a rich mix in the composition of its student body, staff, and faculty. We have listed some details below about the living option:
 - a. Mixed Gender Housing (MGH) for the 2018-19 academic year is a new pilot program at Montana State University that allows students to live in a suite, regardless of their sex or gender. This means that you may be in a suite with another student who identifies as a man, a woman, gender-nonconforming, or any other gender identity.
 - b. Students will have the opportunity to participate in a number of hall and campus programs including Safe Zone Training, American Indian Heritage Day, Black History Month, India Night, Coming Out Day, International Food Bazaar as well as a number of other campus programs that are hosted throughout the year.
 - c. The community will have more optional programs and resources provided throughout the year around various topics of diversity including race, gender, age, language, socioeconomic status, religion, political affiliation, geographical background, gender identity, sexual orientation, national origin, and ability status.
 - d. Students that live in this community will be required to provide feedback to the Residence Life department and the University

about their overall satisfaction and suggestions for improvement to the living option in the future.

- e. Students will reside in one of our suite style residence halls and the room & board rate will be listed and determined similar to all other room & board rates.
- f. Please feel free to contact James Tobin, Assistant Director of Residence Life at (406) 994-2661 or at jtobin@montana.edu to understand all of the living options available to you or to discuss any questions that you may have. Our goal is to provide a welcoming community for all students and the earlier we can discuss and address any of your concerns, the more flexibility we will have in assisting you with exploring different housing options.

6. **Sophomore & Above and/or 21+:** (Johnstone)
7. **Sophomore and Above Deluxe Floors:** Roskie Hall is the home of two newly remodeled sophomore and above floors. These floors consist of single rooms with the same square footage as a double room in Roskie. This quiet, yet active, living option provides an opportunity for those students who want a change of pace from the traditional freshmen energy.
8. **Sophomore and Above Halls:** The Headwaters Complex, Johnstone Center and Residence Life Apartments are designed to meet the needs of all second year students by creating programs that deal directly with the issues they are currently facing.

Please visit the Residence Life website, www.montana.edu/reslife, contact the Residence Life Office at 406-994-2661, or email housing@montana.edu for the specific halls and floors which provide the living options outlined above.

Facilities

Room Equipment and Furnishings

All rooms have closets, extra-long twin beds (except Quads and Roskie), chests of drawers, study desks, waste baskets, chairs, and window coverings. Each room is wired for cable television, secure wired, and wireless internet connections. Also, a linen service is available for residents, providing sheets and pillow cases. These items can be exchanged once a week for a clean set of linens. It is the responsibility of the residents to maintain order and cleanliness in their rooms.

Laundry

Laundry rooms are in every hall with the exception of the Madison and Jefferson Halls in the Headwaters Complex and are equipped with Cat Card-operated automatic washers and dryers. Ironing boards and a limited number of irons are available at the hall desks.

Residence Hall Association (RHA)

All students residing in the residence halls are members of the Residence Hall Association. Organized on floor, hall, and inter-hall levels with programming, judicial, and governmental committees, RHA strives to uphold and promote the interests of students residing in the residence halls and to provide an active voice in residence hall administrative policy and operating procedures.

Visitation Policy

Members of the opposite sex may visit in the privacy of individual rooms. Cohabitation is prohibited.

- Definition of a resident, as it pertains to this policy: A student who has contracted with the university to live in a specifically assigned hall and room for a designated period of time.
- Definition of visitor: Visitors are in the room for less than overnight periods. They may use the facilities in a manner in which they would

not be considered regular hall residents. They do not sleep in the room. Visitors are subject to university regulation.

- Definition of guest: Guests are non-residents staying with a student resident for a period not to exceed three (3) days. Guests are to present a photo ID and be registered at the hall front desk and are subject to university policies and regulations.

In an effort to accommodate a variety of student lifestyles, the residence halls offer twenty-four hour visitation, in which residents may have visitors at their discretion and with the consent of their roommate.

Personal Funds and Property

Students are urged to help safeguard their personal funds by establishing local checking accounts. All other valuable personal property should be adequately protected. Montana State University is not insured nor responsible for the loss or destruction of any personal property of students. Students are encouraged to carry their own personal property insurance. Montana State University has strict regulations regarding firearms on campus; contact the Office of Residence Life for details.

Board Charges and Meal Plans

All residence hall students are required to participate in a meal plan. Meals are served in the dining halls during Thanksgiving Break and Spring Break on a modified schedule. Meals are not served in the dining halls during Winter Break, which is reflected in the meal plan charges.

Student meal plans can be viewed on the Residence Life website (<http://www.montana.edu/reslife/mealplans>).

In addition to these meal plans, off-campus students (only) have the option to purchase a variety of commuter meal plans, which can be viewed on the Culinary Services webpage (http://www.montana.edu/culinaryservices/residence_dining_commons/meal_plans/commuter_meal_plans.html).

Semester Charges

Prices for the current academic year/semester can be obtained through the Residence Hall Room & Board rates page (<http://www.montana.edu/reslife/rates>).

Note: Charges listed are estimates for the academic year/semester and are subject to change without notice.

Payment of Charges

Room and board fees, ResNet, and the RHA social fee are paid in full at the beginning of each semester during the fee payment period. Installment payments for room and board must be arranged in advance with the Office of Student Accounts. There are no deductions for room or board for late arrivals (at the beginning of the semester) or for early departures (at the end of the semester).

Application for Housing

Apply online at www.montana.edu/reslife.

Prepayment

A \$300 non-refundable prepayment is required when submitting a Residence Hall Application. The University will not process housing requests until the student has submitted a completed housing application and the \$300 nonrefundable prepayment. The \$300 will be applied to the total housing costs upon payment of fees.

Prepayment Forfeiture

Failure to occupy the room or cancellation of the contract before or during the contract period will result in the forfeiture of the \$300 prepayment.

Refunds of Room and Board Payments

Students who terminate class registration during a semester will receive a prorated refund of their room and board payments unless they are suspended by the university.

There are no refunds for early departures at the end of the semester or late arrivals at the beginning of the semester. Rooms are held until the first hour of classes on the first class day of the semester.

A student who is absent from his/her residence hall for one or more weeks of consecutive meals due to his/her own illness or participation in University-sponsored activities will be refunded based on a prorated system, provided the student notifies Culinary Services in advance of the University-sponsored activity. Requests for refunds based on absence due to illness must be submitted in writing to Culinary Services (culinaryservices@montana.edu), accompanied by a statement from the Director of Student Health Services, or the student's own doctor, indicating required hospitalization or home care.

Exemptions from On Campus Living

All incoming freshmen with fewer than 30 credits earned in a university residential setting are required to live on campus for their first two academic semesters. However, there are some criteria that, if met, may qualify a student for an exemption from living on campus. Qualifications for exemption are as follows:

1. Marriage.
2. Physical custody of a dependent child.
3. Have completed one full academic year at another college/university while living in a residence hall.
4. Will be taking 5 or fewer credit hours.
5. Recent substantial financial change beyond the control of the student.
6. A medical or disability condition that precludes a student from living in the residence halls.
7. Will be living at home with an immediate family member (mother, father, brother, sister, grandmother, grandfather) or legal guardian.
8. Current active military or veteran's status.
9. Have other extenuating circumstances.

To initiate the exemption process, you must submit the required written documentation. This must be received by the Residence Life Office prior to the academic period requested. Exemptions received after the start of any term will be considered, but rarely approved. The Request for Exemption form (<https://www.montana.edu/reslife/documents/pdfs/Exemption-Form-2017.pdf>) can be found online.

Students must be enrolled as a student of the University and must take no fewer than 12 undergraduate or 9 graduate credits to live in the residence halls. All students taking 9 to 11 credits will be placed on Residence Hall probation. Any student taking 6 to 9 credits will need to request permission from the Director of Residence Life to live in the residence halls and, if approved, will be placed on Residence Hall probation. If a student is taking less than 6 credits or is no longer enrolled in the University, they are not eligible to live in the residence halls. Please contact the Residence Life Office at 406-994-2661 for more information.

The specific opening/closing dates for the residence halls will be sent to students with their room assignments. If this information is needed earlier, please contact the Residence Life Office at 406-994-2661, housing@montana.edu, or www.montana.edu/reslife.

Although the residence halls officially close during Winter break students are able to stay on campus. Students living in some halls may be required to temporarily move during the break period. There is an additional charge

for students who stay on campus during Winter break housing; these costs are not assessed to students who do not utilize the services. Only authorized individuals are allowed in the residence halls during breaks, therefore guests are not permitted as this is a service that we can provide to hall residents only.

Hall residents will be able to stay in their assigned rooms during Thanksgiving and Spring breaks with no additional cost.

Work Opportunities

For students needing to work while attending Montana State University, there are a number of employment opportunities available in residence halls, at front desks, and with the various food services on campus. Information regarding employment may be obtained by contacting the Residence Life Office and Culinary Services or through the Employment webpage (<http://www.montana.edu/reslife/staff>). Work study/financial aid status is not necessary to qualify for student employment.

Work Opportunities include:

- Academic Peer Mentors
- Desk Clerks
- Culinary Services
- Resident Advisors
- Weekend Student Custodians

Family & Graduate Housing

www.montana.edu/ufgh

The Family & Graduate Housing Office is pleased to offer convenient, affordable housing as a service to enable families, married couples, graduate students, second degree undergraduates, single parents, and those in a legally dependent relationship to continue their education.

Family & Graduate Housing consists of 541 units in one, two, and three bedroom apartment/house configurations in eight different communities, located both on campus and within walking distance to all campus buildings and amenities. While each apartment complex varies, available options include: washer/drier hookups, free laundry (in apartment complexes without washer/dryer connections), ResNet connection, dishwashers (in several Julia Martin, Paisley, and Branegan units), storage areas, playground equipment, picnic tables, barbecues, and cable television.

Electric and gas utility costs are included in all units except McIntosh, Paisley, and the West Side Houses. Water, sewer, and garbage costs are included in the rental price of all units.

As a benefit to our residents, the Family & Graduate Housing Office offers a variety of services to assist with making the transition to campus-life: a newsletter is published monthly to inform residents of upcoming campus and community events; a staff of community assistants (CA's) is available to provide activities and programs and answer questions; AMSU Day Care Center is available for children 2-1/2 years through kindergarten; events and programs catered to adults, children, and families are conducted throughout the year; a staff of skilled craftsmen are available to assist with any maintenance problems; a 24-hour call-out service is available to assist with emergencies.

To receive a brochure, application, or to inquire about Family & Graduate Housing's eligibility requirements, please contact:

Requests for refunds based on absence due to illness must be submitted in writing to Culinary Services, accompanied by a statement from the Director of Student Health Services, or the student's own doctor, indicating required hospitalization or home care.

ResNet

www.montana.edu/resnet

The MSU Residential Network (ResNet) is a campus network that provides secure wired and wireless connections for students living in the Residence Halls and in Family & Graduate Housing. ResNet is available as part of the room and board plan. If you own a computer, laptop, tablet or smart phone or plan to purchase one, you will be able to browse the Web from the comfort of your own room. For those residents not bringing a computer to school, ResNet also provides computing facilities with ResNet access, Microsoft Office software, and high speed printing in six computer labs located in the Residence Halls.

Help Desk

ResNet provides a full service help desk to those students living on campus.

If you are experiencing any network related problems, general technical issues, or have questions about your service, ResNet's technicians are available 6 days a week as part of your room and board plan.
