Our current living options are listed below:

Based on student need, academic interest areas, and national trends, Montana State University offers convenient and affordable on-campus housing for students. The Residence Life Department is committed to providing an environment which is socially stimulating while enhancing the academic experience of the students who live on campus. Students with fewer than 30 earned credit hours (while in a residence hall setting) are required to live in the residence halls. Prospective students are urged to submit an application at the earliest possible date since assignments are made in the order they are received. A limited number of single rooms are available.

Living Options
There are many living options available that encompass academic and social enrichment for our residents; however, living options do change from year to year, based on student need, academic interest areas, and national trends. Our current living options are listed below:

1. All Male Hall (Langford)
2. All Female Halls (Hapner/Hannon)
3. 21 and Older Hall (Johnstone)
4. Co-ed Halls: Co-ed living environments are comprised of both men and women living on either separate floors or separate wings of the same hall (Mullan, South and North Hedges, Roskie, Johnstone Center, and Freshman Apartments).
5. Emerging Leaders: Currently housed in South Hedges, this co-ed option is open to students enrolled in the Leadership Fellows program. Members of this community have the unique opportunity to learn and practice their individual style of leadership.
6. Global Village: Located in Hannon and Langford, these floors offer the opportunity to make friends from around the world and to learn and share different cultures. This community is ideal for students planning to study abroad, international students, students studying foreign languages, and for any student interested in the world.
7. Academic Theme Floors: Dedicated to academic success, Residence Life offers floors designed to assist students with common majors. Currently, Business, Arts and Architecture, and Engineering floors are scattered throughout all seven halls.
8. Honors: Housed in The Quads and one floor in South Hedges, these co-ed options for students enrolled in the Honors College. These rooms provide an ideal setting for the study sessions and spontaneous discussions that foster the growth of an Honors student.
9. Sophomore and Above Deluxe Floors: Roskie Hall is the home of two newly remodeled sophomore and above floors. These floors consist of single rooms with the same square footage as a double room in Roskie. This quiet, yet active, living option provides an opportunity for those students who want a change of pace from the traditional freshmen energy.

10. Sophomore and Above Halls: The Headwaters Complex is designed to meet the needs of all second year students by creating programs that deal directly with the issues they are currently facing.

Please visit the Residence Life website www.montana.edu/reslife, contact the Residence Life Office at 406.994.2661, or email housing@montana.edu for the specific halls and floors which provide the living options outlined above.

Facilities

Room Equipment and Furnishings
All rooms have closets, twin beds, chests of drawers, study desks, waste baskets, chairs, and window coverings. Each room is wired for cable television. A mattress pad and a pillow are provided for each student. Also, a linen service is available for residents, providing sheets and pillow cases. These items can be exchanged once a week for a clean set of linens. It is the responsibility of the residents to maintain order and cleanliness in their rooms.

Laundry
Laundry rooms are in every hall with the exception of the Headwaters Complex and are equipped with Cat Card-operated automatic washers and dryers. Ironing boards and a limited number of irons are available at the hall desks.

Residence Hall Association (RHA)
All students residing in the residence halls are members of the Residence Hall Association. Organized on floor, hall, and inter-hall levels with programming, judicial, and governmental committees, RHA strives to uphold and promote the interests of students residing in the residence halls and to provide an active voice in residence hall administrative policy and operating procedures.

Visitation Policy
Members of the opposite sex may visit in the privacy of individual rooms. Cohabitation is prohibited.

• Definition of a resident, as it pertains to this policy: A student who has contracted with the university to live in a specifically assigned hall and room for a designated period of time.
• Definition of visitor: Visitors are in the room for less than overnight periods. They may use the facilities in a manner in which they would not be considered regular hall residents. They do not sleep in the room. Visitors are subject to university regulation.
• Definition of guest: Guests are non-residents staying with a student resident for a period not to exceed three (3) days. Guests are to present a photo ID and be registered at the hall front desk and are subject to university policies and regulations.

In an effort to accommodate a variety of student lifestyles, the residence halls offer twenty-four hour visitation, in which residents may have visitors at their discretion and with the consent of their roommate.

Personal Funds and Property
Students are urged to help safeguard their personal funds by establishing local checking accounts. All other valuable personal property should be adequately protected. Montana State University is not insured nor responsible for the loss or destruction of any personal property of students. Students are encouraged to carry their own personal property insurance. Montana State University has strict regulations regarding firearms on campus; contact the Office of Residence Life for details.
Board Charges and Meal Plans
All residence hall students are required to participate in a meal plan. Meals are not served in the residence halls during Thanksgiving Break, Winter Break, and Spring Break, which is reflected in the meal plan charges.

Student meal plans can be viewed on the UFS website at www.montana.edu/ufs/rdh/mealplanunlimited.

In addition to these meal plans, off-campus students (only) have the option to purchase a variety of commuter meal plans, which can be viewed here, www.montana.edu/ufs/rdh/commutermeal.
