**Exemptions from On Campus Living**

All incoming students with fewer than 30 credits (not including AP credits) in a university residential setting are required to live on campus for their first two academic semesters. However, there are some criteria that, if met, may qualify a student for an exemption from living on campus.

Qualifications for exemption are as follows:

1. Marriage.
2. Physical custody of a dependent child.
3. Have completed one full academic year at another college/university while living in a residence hall.
4. Will be taking 6 or fewer credit hours.
5. Financial Hardship
6. A medical or disability condition that precludes a student from living in the residence halls.
7. Will be living at home with an immediate family member (mother, father, brother, sister, grandmother, grandfather) or legal guardian.
8. Current active military or veteran's status.
9. Have other extenuating circumstances.

To initiate the exemption process, you must submit the required written documentation listed on the exemption application. This must be received by the University Student Housing Office prior to the academic period requested. Exemptions received after the start of any term will be considered, but rarely approved. The Request for Exemption form can be found in our housing portal (https://montana.starrezhousing.com/StarRezPortalX/42370243/1/1/Home-Home/?UrlToken=D9AF1AB3).

Students must be enrolled as a student of the University and must take no fewer than 12 undergraduate or 9 graduate credits to live in the residence halls. All students taking less than 12 credits will need to request permission from the Director of University Student Housing to live in the residence halls and, if approved, will be placed on Residence Hall probation. If a student is taking less than 7 credits or is no longer enrolled in the University, they are not eligible to live in the residence halls. Please contact the University Student Housing Office at 406-994-2661 or housing@montana.edu for more information.

The specific opening/closing dates for the residence halls will be sent to students with their room assignments. If this information is needed earlier, please contact the University Student Housing Office at 406-994-2661, housing@montana.edu, or check out the University Student Housing website (https://www.montana.edu/housing/).

Although the residence halls officially close during Winter break, students are able to stay on campus. Students living in some halls may be required to temporarily move during the break period. There is an additional charge for students who stay on campus during Winter break housing as winter break period is not included in academic year room & board rates; these costs are not assessed to students who do not utilize the services. Only authorized individuals are allowed in the residence halls during breaks, therefore guests are not permitted as this is a service that we can provide to hall residents only.

Hall residents will be able to stay in their assigned rooms during Thanksgiving and Spring breaks with no additional cost.

**Work Opportunities**

For students needing to work while attending Montana State University, there are a number of employment opportunities available in residence halls, at front desks, and with the various food services on campus. Information regarding employment may be obtained by contacting the University Student Housing Office and Culinary Services or through the Employment webpage. (https://www.montana.edu/comeworkwithus/) Work study/financial aid status is not necessary to qualify for student employment although it is preferred.
