Taking Courses for Zero Credit

Auditor

Registered students may, with the permission of the instructor, enroll in a course as auditors and earn zero credit. No grade will be given, and such a course may not be challenged at a later date for credit. Students must declare their intent to audit by the third class session. Students who audit pay the same fees as students enrolled for credit.

Release of Information

Montana State University is in compliance with the Family Educational Rights and Privacy Act of 1974 (referred to as the “Buckley Amendment”) and the Montana Privacy Act. Briefly, these laws establish specific guidelines concerning the release of information and the students’ privilege to inspect and review their own education records.
