How to Register for Classes

Please note: Prior to registering for classes, former students must file an Intent to Register form with the Registrar’s Office; new students and summer-only students must apply for admission to MSU (http://catalog.montana.edu/summer-bulletin/how-apply-admission).

Student Categories

Continuing Students

• Continuing students are those registered in courses during Spring Semester 2017.
• Continuing students are automatically admitted to Summer Session and may register in the same manner and at the same time as they do for Fall Semester 2017. The Summer registration alternate PIN (also referred to as “advisor code” or “registration code”) is the same number assigned to use for Fall registration.
• Advising for Summer Session begins Monday, March 20 and registration begins Monday, March 27 on the Web (refer to the Fall 2017 Registration Handbook for registration timetable).

Former Students

• Former students are those who have previously been admitted to MSU and paid fees, but who did not attend or withdrew from Spring Semester 2017.
• Former students must file an Intent to Register form with the Registrar’s Office. Former students should use the online Intent to Register through MyInfo. Registration information will be sent via the email address provided on the Intent to Register form.

• Before new students are allowed to register for courses, they must apply for admission and be accepted into the University.
