Admission as an Undergraduate Student

Undergraduate students are first-time college students, or those who have attempted college level credits during high school, or have attempted college level credits after graduating high school, and have not been awarded a bachelor’s degree.

Applications for admission to undergraduate programs are processed by the Office of Admissions. The requirements for admission are described in the following sections. There are several options for obtaining MSU application (http://www.montana.edu/admissions/apply.html) forms.

Applications are accepted from resident, non-resident, and international students. Eligible undergraduate students may attend full-time or part-time. Montana State University retains the right to establish requirements which will ensure successful scholastic performance.

General Admission Information

Applicants are responsible for submitting applications and all other required credentials necessary for admission, financial aid, and housing, must provide verification of immunizations, must complete a tuberculosis screening form, and must register for a New Student Orientation session. Applicants should be aware of the following:

1. Applicants are requested to voluntarily provide their social security number which allows the school to distinguish between individuals with the same or similar names.
2. Students intending to apply for financial aid may obtain appropriate forms from their high school guidance office, online at www.fafsa.ed.gov (http://www.fafsa.ed.gov), or by contacting Financial Aid Services (finaid@montana.edu) via email or by calling 406-994-2845. MSU’s FAFSA school code is 002532.
3. Students with fewer than 30 credits of college level coursework are required to live in the residence halls. Additional information about residence life and family housing policies may be obtained by calling the Residence Life Office, 406-994-2661, or by visiting the Residence Life (http://www.montana.edu/reslife) website.
4. Students must submit required immunization records and tuberculosis screening form. This is done by logging onto the Student Health Services (https://shi103.msu.montana.edu) website and using the “Online Student Health” link, or students may download and complete the immunization and tuberculosis screening forms and mail, fax or email them to Student Health Services (immune@montana.edu). Students must submit proof of required immunizations and a tuberculosis screening form prior to class registration. Questions should be referred to MSU’s Student Health Services, 406-994-2311.
5. Students with a health condition or a disability which should be brought to MSU’s attention may submit a confidential letter of need to Disability/Re-Entry & Veterans Services. Contact the Office of Disability, Re-Entry & Veterans Services (drv@montana.edu) via email or by calling 406-994-2824; they will also answer any questions about services for disabled students.
6. All admitted students must attend a New Student Orientation session prior to the beginning of the semester. Information about Orientation dates will be sent from the Orientation Office after admission has been determined. Additional information can be obtained by visiting the Orientation (http://www.montana.edu/admissions/orientation) website or by calling 406-994-2827.

When to Apply

Applicants are encouraged to apply at least six to eight months prior to the first semester of attendance. Early application will allow adequate time for the student to request any academic credentials needed to complete the application file, make housing arrangements, process financial aid materials, and participate in a New Student Orientation session.

Applications should be on file in the Office of Admissions according to the following recommended priority dates:

- Fall semester - July 1
- Spring semester - December 1
- Summer session - May 1

Applicants will be notified as soon as possible after all credentials have been received by the Office of Admissions that are necessary to determine a student’s application status.

- All applications are kept on file at MSU for one full academic year from the original application term (e.g. an application for Fall 2015 may be updated through Fall 2016).
- An applicant may defer their term or update their application file during this one year period without having to re-apply. After the one year time period has passed, a new application, application fee, and any/all required academic documents must be re-submitted by the student.
- It is the applicant’s responsibility to inform the Office of Admissions of any changes to their original application.

- To defer or update an application within a year from the original application term, contact the Office of Admissions at 406-994-2452 or 1-888-MSU-CATS or email the Office of Admissions (admissions@montana.edu).

**Campus Visit Opportunities**

**Individual Campus Visits**

A personal visit to the MSU campus will provide an opportunity to meet faculty, staff and students, and to explore campus life. Because selecting a college is such an important decision, families are welcome and encouraged to participate. As part of a campus visit, the admissions staff can schedule any or all of the following for you: a campus tour, a residence hall tour, an appointment with a MSU Representative, a visit with a faculty member, and a classroom visit (during the school year).

To schedule a visit, please call or complete the registration form ([http://www.montana.edu/admissions/visit/schedule](http://www.montana.edu/admissions/visit/schedule)) at least two weeks in advance. Please contact the Campus Visit Coordinator (campusvisit@montana.edu) in the Admissions Office at 406-994-2452 or toll free 1-888-MSU-CATS. "Drop-in" visits are also welcome.

**MSU Fridays**

MSU Friday, a comprehensive campus preview day held four times a year, gives prospective students and their families a chance to meet with faculty and students, explore academic facilities, tour the campus, and investigate possibilities and scholarships. It’s a great time to explore MSU! For more details, go to the MSU Friday website ([http://www.montana.edu/msufriday](http://www.montana.edu/msufriday)).

**New Student Orientation**

All new students are required to attend New Student Orientation in order to register for classes. Summer Orientation Programs are offered to new freshmen and transfer students who enter in the fall semester. Additional orientation sessions for freshman, transfer, veteran, and international students are offered prior to each semester.

At orientation students receive assistance with course selection, course registration, and become familiar with the location and use of campus facilities and services. New Student Orientation also highlights MSU’s academic assistance and other special services, as well as recreational and social programs. New Student Orientation assists all new students in their transition to MSU and increases students’ chances for academic success.

Contact the Orientation Office at 406-994-2827 or visit the Orientation website ([http://www.montana.edu/admissions/orientation](http://www.montana.edu/admissions/orientation)) for more information. International students should contact the Office of International Programs at 406-994-4031.

**Freshman (First-Time Undergraduates)**

Freshmen students are those who have completed high school or its equivalent and have never attended a college or university. Students who have attempted fewer than 12 quarter or semester college-level credits at another regionally accredited college or university after high school graduation are considered incoming freshmen. Students who have earned college-level course credit, Advanced Placement or International Baccalaureate credits before graduating from high school are also considered incoming freshmen.

**Academic Eligibility**

Students who do not meet the freshman admission requirements, listed below, are still encouraged to apply for admissions and submit the necessary credentials. MSU is allowed a number of exemptions to the stated requirements and will examine each student’s credentials on an individual basis for admissibility. Some students who do not meet the requirements may be admitted as Pre-University Studies students. In Pre-University Studies, students may take up to 7 credits at MSU and up to an additional 7 credits through a partnership with Gallatin College MSU. Students who take a combination of at least 12 credits will qualify for federal financial aid as a full-time student. Once a Pre-University Studies student has earned 7 MSU credits with a minimum cumulative grade-point average of 2.0, he/she will be admitted as a full-time MSU student.

**Admission requirements (Resident and Non-Resident)**

- Graduation from a high school accredited by the state accrediting agency or a passing score on an approved high school equivalency exam such as HiSET or GED, for example. Students who complete their secondary education through home schooling or at unaccredited secondary schools may be admitted as long as they have satisfactorily performed on the ACT or the SAT tests.

- **MSU Academic Requirements:**
  - A 2.5 cumulative grade-point average (on a 4.0 scale), OR
  - ACT Enhanced Composite score of 22, OR
  - SAT Combined Critical Reading/Mathematics/Writing score of 1540, OR
  - Rank in the upper half of the graduating class
  - AND

- Successful completion of a College Preparatory Curriculum. Non-resident applicants who have not completed the college preparatory requirements stated below may satisfy the requirements by providing evidence that they have completed a similar college preparatory program required by their home state:
  - Four years of English: courses should emphasize the development of written and oral communication skills and literature.
  - Three years of Mathematics: courses should include algebra I, geometry, and algebra II (or the sequential content equivalent of these courses). Students are encouraged to take a math course in their senior year.
  - Three years of Social Studies: courses should include one year of global studies (such as world history or world geography), American history, government, economics, Indian history, psychology, sociology, or other third-year courses.
  - Two years of Laboratory Science: one year should be earth science, biology, chemistry, or physics, and the other year can be one of the above sciences or another approved college preparatory science.
  - Two years of elective courses: foreign language (preferably two years), computer science, visual and performing arts, or approved vocational education units.

- The following categories of students are exempt from the admission requirements above:
• Non-Traditional age students (out of high school more than 3 years from graduation date or expected graduation date)
• Non-Degree undergraduate students

In order to begin a University Academic Plan at Montana State University, students must demonstrate readiness in areas of mathematics and writing. Typically, students demonstrate their readiness through scores earned on standardized examinations:

Math: ACT Math of 22+ or SAT Math of 520+
Writing: ACT English/Writing of 18+ or SAT Writing of 440+ or minimum score of 7 on either of the essay sub-sections.

If a student does not demonstrate full readiness prior to his/her New Student Orientation, academic advisers will help the student register during orientation for the appropriate courses needed to move forward in his/her degree path.

Requests should be made by contacting the high school, the registrar’s office at the college/university, or agency. Credentials must be sent directly from the school to the Office of Admissions. Credentials received from the student that have been opened or are in an unsealed envelope are considered unofficial copies and will not be accepted as official documents.

Freshman Students Denied Admission
Students interested in appealing the admission decision should refer to the “Appeal of Admission Decisions” section.

Transfer Students
A transfer student has graduated high school or its equivalent and attempted 12 or more quarter or semester credits of college-level courses at a regionally accredited institution after high school graduation. Students who have previously been awarded a baccalaureate degree who wish to apply as a Second Bachelor’s Degree student (Post-Baccalaureate) are also considered a transfer student. College-level work is defined as those courses that are applicable towards at least an associate degree. It does not include remedial, certificate or developmental courses.

Students who previously attended Montana State University and who are returning after attending another institution should refer to the “Former MSU Students” section.

Academic Eligibility
Applicants will be considered for admission based on transferable credits from all regionally accredited colleges or universities previously attended. As determined by the Office of Admissions, a 2.0 (or C) cumulative transferable GPA (on a 4.0 scale) is required in order to be accepted for admission in good academic standing. Transfer students start with a new GPA upon enrolling at MSU.

Students who do not meet the 2.0 cumulative transferable GPA are still encouraged to apply for admissions and submit the necessary credentials. Montana State University will examine each student’s credentials on an individual case for admisibility. Some students who do not meet the requirements may be admitted on University Probation and will need to earn a 2.0 or higher GPA upon completing the first term attended at MSU to be placed in good academic standing.

appointment with their departmental adviser to prepare an academic plan for their second bachelor’s degree; students should bring copies of their college transcripts to their appointment.

Second Degree students follow the Undergraduate Catalog in effect at the time of initial enrollment at MSU.

Evaluation of Transfer Credit
(Freshman and transfer students)

Requests to have final credentials sent to MSU must be initiated by the applicant. Requests should be made by contacting the registrar’s office at the college, university or agency previously attended. Credentials must be sent directly from each institution to the Office of Admissions. If the college or university participates in secure electronic transmission of official transcripts, the transcripts should be sent to: MSUadmissionstranscript@sympa.montana.edu. Credentials received from the student that have been opened or are in an unsealed envelope are considered unofficial copies and will not be accepted as official documents. To see how courses may transfer, please visit our Transfer Course Equivalencies website (https://atlas.montana.edu:9000) and click on “Transfer Equivalencies.” If a course or institution is not listed it does not necessarily mean the course will not transfer; rather the information is not yet in our database.

- An official evaluation of transfer credits will be completed after final transcripts from each institution have been received. Upon completion, a copy of the credit evaluation will be mailed to the student.
- All college-level courses from colleges or universities in candidacy status or accredited by any of the six regional accrediting agencies at the time the courses were taken will be accepted for transfer. Courses from non-accredited schools will not be accepted for transfer.
- The Office of Admissions determines whether or not the transfer work is college-level, the appropriate grading and credit conversions on transfer work, and the applicability of transfer credit toward the MSU CORE 2.0 requirements. The academic department has the authority to substitute transfer courses for curriculum requirements. Transfer credit and CORE, if applicable, will be given for courses in which passing grades were received.
- College level courses which do not have an equivalent at MSU will be accepted as an elective or as an elective with CORE credit. The academic department will determine if the transfer electives satisfy specific curriculum requirements.
- Freshman/sophomore level courses taken at another college or university will generally not be evaluated as equivalent to junior/senior level courses at MSU. Also, junior/senior level courses will generally not be evaluated as equivalent to freshman/sophomore courses at MSU. Elective credit will be granted in these cases. If a lower-level elective is substituted for an upper-level course by an academic department, that credit may not be used to fulfill the University upper-level credit requirement.
- Transfer credit is accepted from vocational technical institutions if the institution is regionally accredited, if the courses taken are toward an associate degree at the institution, and if the courses are transferable to a 4-year institution. MSU does not accept courses that apply solely to a certificate degree.
- Credit is not granted for continuing education, correspondence, or extension courses.
- Applicants who have taken Advanced Placement (AP) Exams or International Baccalaureate (IB) Exams should request that the official scores be sent directly to the Office of Admissions. AP scores of 3 or higher and IB Exams with scores of 4 or higher (Higher Level only) will be granted college credit with a Pass grade for the equivalent courses.
- Spring Semester - November 15
• Summer Session - March 15

Application Procedure
Receipt of the following credentials in the Office of International Programs constitutes a complete application for admission:

1. International Undergraduate Application for Admission: An international undergraduate application (https://www.msuadmissions.org/application/index.cfm?isndo) may be submitted online or a paper application form (http://www.montana.edu/international/admissions/docs/InternationalApplication.pdf) may be downloaded and printed. A paper application may also be obtained by contacting the Office of International Programs. Contact the Office of International Programs via mail: Office of International Programs, Montana State University, P.O. Box 172260, Bozeman, MT 59717-2260, or by phone: +1-406-994-4031, or by Fax: +1-406-994-1619, or contact the Office of International Programs (globalstudy@montana.edu) via email. If completing the paper application, please return the completed and signed application form to the Office of International Programs.

2. Application Fee (non-refundable): $38 online application or $30 paper application. The fee must be in U.S. currency. The online application fee must be paid by credit card. Checks submitted with paper applications should be made payable to Montana State University and must indicate the U.S. banking codes. The application fee will not be waived, deferred, or refunded. The fee must be paid before the application will be processed.

3. Official Proof of English Language Proficiency: Obtain official scores online for TOEFL (http://www.toefl.org) or IELTS (http://www.ielts.org). Proof of completion of A.C.E. Language Institute Level 6 may be submitted in lieu of a standardized test score upon completion of the program. A list of alternative options to prove English proficiency (http://www.montana.edu/international/admissions/englishproficiency.htm) can be found online. Students who are citizens of countries where English is an official language do not need to submit a proof of English proficiency, if English is the student’s native language and if secondary level education was undertaken in English.

4. Evidence of Financial Support: Montana State University requires certification of financial support from students with non-immigrant visas. A financial documentation form is included on the international application. A Form I-20 for VISA purposes will not be issued until an International Student Financial Certificate, complete with a signed statement of support, is submitted and on file in the Office of International Programs. The Financial Certificate guarantees that the required minimum amount of funding, in U.S. dollars, will be available to the student during the academic year. A bank statement is also required.

5. Secondary School Academic Records: For admission purposes, scanned or photocopies of academic records are acceptable. To complete the student’s file, a comprehensive and official secondary school record listing all courses and grades/marks earned is required of all students applying as first-time freshmen or those who have earned fewer than 12 college/university credits (a semester of study). The record must be sent directly from the secondary school to the Office of International Programs. Alternatively, the student may obtain an official copy from the school, leave it in the school’s sealed envelope, and mail or carry it to MSU. Additional official certificates may be required to show completion of secondary school.

6. College/University Transcripts: For admission purposes, scanned or photocopies of academic records are acceptable. To complete the student’s file, official transcripts from each international and U.S. college/university attended are required. The transcript must be sent directly from each institution to the Office of International Programs and must list all courses taken and grades/marks earned. Alternatively, the student may obtain an official copy from the school, leave it in the school’s sealed envelope, and mail or carry it to MSU.

8. Evaluation of Foreign Credentials: The MSU Admissions Office requires final, official academic records and course descriptions in order to evaluate courses for transfer credit. MSU reserves the right to require a professional evaluation of non-U.S. academic credentials from applicants who have attended colleges/universities outside the United States and Canada (where English is not the language of instruction) unless MSU has a formal agreement with the post-secondary institution.

The Office of International Programs will issue the Form I-20 (necessary for obtaining an F-1 student visa) to international applicants who are accepted for admission and whose admission files are complete.

The request to have credentials sent to Montana State University must be initiated by the applicant. Requests should be made in writing directly to the registrar at the former secondary school, college, university, or agency. Credentials must be sent directly to the Office of International Programs.

Students must submit a completed immunization record and tuberculosis screening form to the Student Health Service by logging on the Student Health Service (http://www.montana.edu/health/immunization.php) website. From there, students may submit their immunization records online using the ”On-line Student Health” link or download and complete the immunization and tuberculosis screening forms and mail or email to the Student Health Service (immune@montana.edu), Montana State University, PO Box 173260, Bozeman, MT 59717-3260. Students must submit proof of required immunizations and a tuberculosis screening form prior to registration of classes. Questions should be referred to the MSU Student Health Service, +1-406-994-2311.

Application materials and the application fee will be retained for one year from the original applied term. To defer admission to a later semester, the Office of International Programs must be notified well in advance of the intended semester of entry.

Students who are citizens of countries where English is an official language do not need to submit a proof of English proficiency, if English is the student’s native language and if secondary level education was undertaken in English.

4. **Letter of Intent:** Students must submit a letter of intent outlining educational objectives, purpose of study, and specific terms and dates of anticipated attendance at MSU.

A Form I20 for VISA purposes will not be issued until an International Student Financial Certificate, complete with a signed statement of support is submitted and on file in the Office of International Programs. The Financial Certificate guarantees that the required minimum amount of money, in U.S. dollars, will be available to the student during the academic year. A bank statement is also required.

The Office of International Programs will issue the Form I-20 (necessary for obtaining an F-1 student visa) to international applicants who are accepted for admission and whose admission files are complete.

**Academic Eligibility**

Freshmen students will be considered for admission on the basis of their secondary school record and scores taken from the ACT or SAT tests. All application materials must bear the official school seal and signature and be sent directly from the institution or agency to the Office of International Programs. Transcripts and test scores received from students are unofficial and not acceptable. To provide time for evaluation and for notice of acceptance to reach the applicant in a timely manner, the application and required credentials must be received by the Office of International Programs according to the following dates:

- Fall Semester - July 1
- Spring Semester - November 15
- Summer Session - March 15

Receipt of the following credentials in the Office of International Programs constitutes a complete application for admission.
