</tbody>
</table>

**Year Total:** 16

**Total Program Credits:** 120

Each student shall work closely with their faculty advisor to plan an integrated set of elective courses appropriate to their academic, professional and personal goals. Courses not on this list may be used IF considered appropriate to the student’s goals AND approved by the faculty advisor as a curricular exception.

### Choose 14 Credits from the following:

<table>
<thead>
<tr>

</tbody>
</table>
Because some of the courses are offered during alternate years, the proposed scheduling of courses in junior and senior years may need to be modified. Work with an advisor for an individual schedule.

**A minimum of 120 credits is required for graduation; at least 42 of these credits must be in courses numbered 300 and above.**

Each student shall work closely with their faculty advisor to plan an integrated set of elective courses appropriate to their academic and professional goals.
