

Finance Minor

The Finance minor is open to all students, with the exception of students pursuing a business degree with the Finance option. Program objectives include:

- To provide the tools for financial decision making, including time value of money techniques, asset valuation, and capital budgeting analysis
- To develop in students an analytical perspective in problem solving
- To provide flexibility to design one's own program through choice of electives

Students seeking the Finance minor must complete the following courses:

ECNS 1011S	Economic Way of Thinking	3
ECNS 204IS	Microeconomics	3
BMIS 211	Data Analytics I	3
