Social Studies Broadfield

Social Studies Broadfield Option

The Social Studies Broadfield program prepares students to be licensed to teach all middle and high school social science areas in the state of Montana. See the Teacher Education Program (http://catalog.montana.edu/undergraduate/education-health-human-development/department-education/#teachereducationrequirementstext) page for entrance requirements.

Secondary level endorsement will cover grades five through twelve for all applicants graduating from approved programs. Practicum and student teaching experiences are coordinated through the Office of Field Placement & Licensure (http://www.montana.edu/fieldplacement/).

A minimum of 128 credits is required for graduation; 42 of these credits must be in courses numbered 300 and above.

Note: While we recommend this sequence, there will be some variance, especially between courses taken by the end of the junior year and first-semester senior year.
