Physics Minor

A student must receive a grade of C or better in all the courses required for this minor and have a GPA of 2.75 or higher.

Choose one of the following: 4

- PHSX 220 Physics I (w/ calculus)
- PHSX 240 Honors Gen & Mod Phys I

Choose one of the following: 4

- PHSX 222 Physics II (w/ calculus)
- PHSX 242 Honors Gen & Mod Phys II
- PHSX 224 Physics III
- PHSX 301 Intro Theoretical Physics
- PHSX 261 Laboratory Electronics I
- PHSX 262 Laboratory Electronics II

Choose one of the following: 3-4

- PHSX 320 Classical Mechanics
- PHSX 423 Electricity and Magnetism I
- Physics elective (200 level or above)

Approved elective in Biology, Chemistry, or Earth Science 3

EDU 497 Methods (5-12 Science) 3

Total Credits 31-32
