Admission as an Undergraduate Student

Undergraduate students are first-time college students, or those who have attempted college level credits during high school, or have attempted college level credits after graduating high school, and have not been awarded a bachelor’s degree. In addition, students who have already received a bachelor’s degree and are returning to school for another bachelor’s degree (post-baccalaureate) are also considered an undergraduate student.

Applications for admission to undergraduate programs are processed by the Office of Admissions. The requirements for admission are described in the sections that follow. There are several options for obtaining MSU application (http://www.montana.edu/admissions/apply.html) forms.

Applications are accepted from resident, non-resident, and international students. Eligible undergraduate students may attend full-time or part-time. Montana State University retains the right to establish requirements which will ensure successful scholastic performance.

General Admission Information

Applicants are responsible for submitting applications and all other required credentials necessary for admission, financial aid, and housing; must provide verification of immunizations, must complete a tuberculosis screening form, and must register for a New Student Orientation session. Applicants should be aware of the following:

1. Applicants are requested to voluntarily provide their social security number which allows the school to distinguish between individuals with the same or similar names.
2. Students intending to apply for financial aid may obtain appropriate forms from their high school guidance office, online at www.fafsa.ed.gov (http://www.fafsa.ed.gov), or by contacting Financial Aid Services via email (finaid@montana.edu) or by calling 406-994-2845. MSU’s FAFSA school code is 002532.
3. Students with fewer than 30 credits of college level coursework completed after high school graduation are required to live in the residence halls. Additional information about residence life and family housing policies may be obtained by calling the Residence Life Office, 406-994-2661, or by visiting the Residence Life (http://www.montana.edu/reslife) website.
4. Students must submit required immunization records and a tuberculosis screening form. This is done by logging onto the Student Health Services (https://shs103.msu.montana.edu) website and using the "On-line Student Health" link, or students may download and complete the immunization and tuberculosis screening forms and mail, fax, or email them to Student Health Services (immune@montana.edu). Students must submit proof of required immunizations and a tuberculosis screening form prior to class registration. Questions should be referred to MSU’s Student Health Services, 406-994-2311.
5. Students with a health condition or a disability which should be brought to MSU’s attention may submit a confidential letter of need to Disability, Re-Entry & Veterans Services. Contact the Office of Disability, Re-Entry & Veterans Services (drv@montana.edu) via email or by calling 406-994-2824; they will also answer any questions about services for students with disabilities.
6. All admitted students must attend a New Student Orientation session prior to the beginning of the semester. Information about Orientation dates will be sent from the Office of Admissions after admission has been determined. Additional information can be obtained by visiting the Orientation (http://www.montana.edu/admissions/orientation) website or by calling 406-994-2827.

When to Apply

Applicants are encouraged to apply at least six to eight months prior to the first semester of attendance. Early application will allow adequate time for the student to request any academic credentials needed to complete the application file, make housing arrangements, process financial aid materials, and participate in a New Student Orientation session.

Applications should be on file in the Office of Admissions according to the following recommended dates:

- Fall semester - July 1
- Spring semester - December 1
- Summer session - May 1

Applicants will be notified as soon as possible after all credentials necessary to determine a student’s application status have been received by the Office of Admissions.

- All applications are kept on file at MSU for one full academic year from the original application term (e.g. an application for Fall 2017 may be updated to Fall 2018).
- An applicant may defer their term or update their application file during this one year period without having to re-apply. After the one year time period has passed, a new application, application fee, and any/all required academic documents must be re-submitted by the student.
- It is the applicant's responsibility to inform the Office of Admissions of any changes to their original application.

To defer or update an application within a year from the original application term, contact the Office of Admissions at 406-994-2452 or 1-888-MSU-CATS or email the Office of Admissions (admissions@montana.edu).

Obtaining Undergraduate Application Forms

Several application options are available to students interested in applying for undergraduate admission to MSU-Bozeman.

- Online Application Form: Freshmen, transfer, international, non-degree, and second-degree (post-baccalaureate) students may complete the online application form which is electronically submitted directly to MSU.
New Student Orientation also highlights MSU's registration, and become familiar with the location and use of campus facilities and services. At Orientation, students receive assistance with course selection, course and investigate possibilities and scholarships. It's a great time to meet faculty, staff and students, and to explore campus life. Because selecting a college is such an important decision, families are welcome to register for classes. Summer Orientation programs are offered to new students.

All new students are required to attend New Student Orientation in order to register for classes. Summer Orientation programs are offered to new students.

Freshman (First-Time Undergraduates)

Freshman students are those who have completed high school or its equivalent. Students who have attempted fewer than 12 quarter or semester college-level credits at another regionally accredited college or university after high school graduation are considered incoming freshmen. Students who have earned college-level course credit, Advanced Placement or International Baccalaureate credits before graduating from high school are also considered incoming freshmen.

Academic Eligibility

Students who do not meet the freshman admission requirements (listed below) are still encouraged to apply for admission and submit the necessary credentials. MSU is allowed a number of exemptions to the stated requirements and will examine each student’s credentials on an individual basis for admissibility. Some students who do not meet the requirements may be admitted as Pre-University Studies (http://gallatin.montana.edu/programs/preus.php) students. Pre-University Studies students may be classified as full-time MSU students during their first semester by taking 12-14 credits of combined MSU courses and courses offered through Gallatin College MSU. Of these credits, students may register for a maximum of 7 MSU credits. In addition, with a combined total of 12 credits or more, students will be considered full-time students for financial aid purposes. Once a Pre-University Studies student has earned 7 MSU credits with a minimum cumulative grade-point average of 2.0, he/she will be admitted as a full-time MSU student.

Students interested in appealing the admission decision should refer to the "Appeal of Admission Decisions" section.

Transfer Students

A transfer student has graduated high school or its equivalent and attempted 12 or more quarter or semester credits of college-level courses at a regionally accredited institution after high school graduation. Students who have previously been awarded a baccalaureate degree who wish to apply as a Second Bachelor’s Degree student (Post-Baccalaureate) are also considered a transfer student. College-level
work is defined as those courses that are applicable towards at least an associate degree. It does not include remedial, certificate or developmental courses.

Students who previously attended Montana State University and who are returning after attending another institution should refer to the Former MSU Students (p. 9) section.

**Academic Eligibility**

Applicants will be considered for admission based on transferable credits from all regionally accredited colleges or universities previously attended. As determined by the Office of Admissions, a 2.0 (or C average) cumulative transferable GPA (on a 4.0 scale) is required in order to be accepted for admission in good academic standing. Transfer students start with a new GPA upon enrolling at MSU.

Students who do not meet the 2.0 cumulative transferable GPA are still encouraged to apply for admission and submit the necessary credentials. Montana State University will examine each student’s credentials on an individual case for admissibility. Some students who do not meet the requirements may be admitted on University Probation and will need to earn a 2.0 or higher GPA upon completing the first term attended at MSU to be placed in good academic standing.

**Application Procedure**

Receipt of the following credentials in the Office of Admissions constitutes a complete application for admission. Requests to have final credentials sent to MSU must be initiated by the applicant. Requests should be made by contacting the Registrar’s Office at the college/university previously attended. Credentials must be sent directly from each institution or agency to the Office of Admissions. Credentials that have been opened, are emailed, or are in an unsealed envelope are considered unofficial working copies and will not be accepted as official documents.

Application materials and fees will be retained for one year from the original application term. To apply for a semester other than the one originally intended, notify the Office of Admissions as soon as possible.

A final official transcript must be received in the Office of Admissions by the 15th class day of the first term of attendance. If the college or university participates in secure electronic transmission of official transcripts, the transcripts should be sent to: MSUadmissionstranscript@sympa.montana.edu. Academic eligibility will be reviewed again upon receipt of that final transcript. For more information on how college/university courses will transfer to MSU, refer to the Evaluation of Transfer Credit section.

1. Admissions Application: An application for admission (https://www.msuadmissions.org/application/index.cfm?&isndsl) may be submitted online or downloaded and printed; if completing the paper application, please return the completed and signed application form to the Office of Admissions. The application may also be obtained from the Office of Admissions.

The first bachelor’s degree must be posted on the official transcript. If the college or university participates in electronic transmission of official transcripts, the transcripts should be sent to MSUadmissionstranscript@sympa.montana.edu (MSUadmissionstranscript@sympa.montana.edu). This academic information will be used to determine admission status as well as transfer credit.

Transfer credit of Second-Degree students is not evaluated on a course-by-course basis through the Admissions Office; total credits earned are posted to their student record. Second-Degree students should make an appointment with their departmental advisor to prepare an academic plan for their second bachelor’s degree; students should bring copies of their college transcripts to their appointment.

Second Degree students follow the Undergraduate Catalog in effect at the time of initial enrollment at MSU.

**Evaluation of Transfer Credit**

(Freshman and transfer students)

Requests to have final credentials sent to MSU must be initiated by the applicant. Requests should be made by contacting the registrar’s office at the college, university or agency previously attended. Credentials must be sent directly from each institution to the Office of Admissions. If the college or university participates in secure electronic transmission of official transcripts, the transcripts should be sent to MSUadmissionstranscript@sympa.montana.edu. Credentials that have been opened, emailed, or are in an unsealed envelope are considered unofficial copies and will not be accepted as official documents.

To see how courses may transfer, please visit our Transfer Course Equivalencies website (https://atlas.montana.edu:9000) and click on “Transfer Equivalencies.” If a course or institution is not listed it does not necessarily mean the course will not transfer; rather the information is not yet in our database.

- An official evaluation of transfer credits will be completed after final transcripts from each institution have been received. Upon completion, a copy of the credit evaluation will be mailed to the student.
- All college-level courses from colleges or universities in candidacy status or accredited by any of the six regional accrediting agencies at the time the courses were taken will be accepted for transfer.

Courses from non-accredited schools will not be accepted for transfer.

- The Office of Admissions determines whether or not the transfer work is college-level, the appropriate grading and credit conversions on transfer work, and the applicability of transfer credit toward the MSU CORE 2.0 requirements. The academic department has the authority to substitute transfer courses for curriculum requirements. Transfer credit and CORE, if applicable, will be given for courses in which passing grades were received.
- College level courses which do not have an equivalent at MSU will be accepted as an elective or as an elective with CORE credit. The academic department will determine if the transfer electives satisfy specific curriculum requirements.
- Freshman/sophomore level courses taken at another college or university will generally not be evaluated as equivalent to junior/ senior level courses at MSU. Also, junior/senior level courses will generally not be evaluated as equivalent to freshman/ sophomore courses at MSU. Elective credit will be granted in these cases. If a lower-level elective is substituted for an upper-level course by an academic department, that credit may not be used to fulfill the University upper-level credit requirement.
- Credit is not granted for continuing education, correspondence, or extension courses.
- Applicants who have taken Advanced Placement (AP) Exams or International Baccalaureate (IB) Exams should request that the official scores be sent directly to the Office of Admissions. Most AP scores of 3 or higher and IB Exams with scores of 4 or higher (primarily Higher Level) will be granted college credit with a Pass grade for the equivalent courses. For more information on how AP and IB courses will transfer, refer to the AP Course Equivalencies website (http://www.montana.edu/admissions/ap/ap.pdf) or the IB Course Equivalencies website (http://www.montana.edu/admissions/ib/ib.pdf).
- College Level Examination Program (CLEP) credit may be awarded by the academic department for successful performance in certain subject exams. Credit awarded for the CLEP Exams will not count toward University Core requirements. Official results must be sent directly from the CLEP testing center to MSU Testing Services (http://www.montana.edu/ehhd/centers/testing).
- Military experience will be considered for credit upon receipt of official military transcripts and, based on ACE recommendations, will be evaluated as elective credit only. A maximum of 30 elective credits from military transcripts will be used.
- International coursework (except from institutions where English is the language of instruction) may require evaluation by a foreign credential evaluation company. Contact the Office of International Programs (globalstudy@montana.edu) or visit the Office of International Programs website (http://www.montana.edu/international) for further information.
- Applicants are encouraged to bring personal copies of their transcripts for advising purposes during Orientation. Catalogs and course syllabi describing previous coursework may also be of assistance to the academic advisor when determining appropriate course placement.

Students who wish to appeal a decision regarding acceptance of transfer credit should address their concern to the Graduation and Admissions Requirements Committee (http://www.montana.edu/registrar/CERCandGARC.html) (GARC). Students who wish to appeal the assignment of transfer credit to the University Core requirements should address their concern to the Core Equivalency Review Committee (http://www.montana.edu/registrar/CERCandGARC.html) (CERC).
International Undergraduate Students

Students from countries other than the United States are welcome to apply to Montana State University as International freshman or International transfer students. Those who have attempted secondary school are considered freshmen; those who have completed university-level coursework equivalent to 12 credits or more (a semester of study) beyond secondary school are considered transfer students.

Academic Eligibility

Freshman (First time Undergraduates)

Freshmen will be considered for admission on the basis of their secondary school record and their English proficiency. Applicants who can prove their English language proficiency and have a minimum cumulative grade-point average of 2.5/4.0 on a U.S. scale will qualify for admission.

Transfer Students

Transfer students will be considered on the basis of their post-secondary education record and their English proficiency. Applicants who can prove their English proficiency and have a minimum cumulative transferable grade-point average of a 2.0/4.0 on a U.S. scale will qualify for admission.

All application materials must bear the official school seal and signature, and be sent directly from the institution or agency to the Office of International Programs. Unofficial copies can be accepted for admission purposes. Students who are admitted are required to provide official transcripts and test scores. To provide time for evaluation and for notice of acceptance to reach the applicant in a timely manner, the application and required credentials must be received by the Office of International Programs according to the following dates:

- Fall Semester - July 1
- Spring Semester - November 15
- Summer Session - March 15

International Credit Evaluation

In conjunction with the Registrar, the Office of International Programs determines the appropriate grading and credit conversions. These evaluations are done in accordance with national norms articulated by the American Association of Collegiate Registrars and Admission Officers (AACRAO). Montana State University follows these norms for all international transfer credit conversions, including but not limited to the European Credit Transfer System. Requests for exception to this practice must be submitted in writing to the Office of the Provost and include supporting documentation (credits for MSU students studying abroad need to be approved prior to departure through the course approval process). The Offices of Admissions and Registrar further determines applicability of international coursework toward the MSU CORE 2.0 requirements. Academic units determine if and how courses apply to a specific program (i.e. major, minor, certificate) requirements.

Application Procedure

Receipt of the following credentials in the Office of International Programs constitutes a complete application for admission. Please review the International Admissions (http://www.montana.edu/international/admissions) website for more information.

1. International Undergraduate Application for Admission: An International undergraduate application (https://www.msaadmissions.org/application/index.cfm?isndsl) may be submitted online or a paper application form (http://www.montana.edu/international/admissions/docs/InternationalApplication.pdf) may be downloaded and printed. If completing the paper application, please return the completed and signed application form to the Office of International Programs.
