**3.1 Fees (all fees are in U.S. dollars)**

APPLICATION (https://www.montana.edu/gradschool/admissions/apply.html) — A non-refundable application fee is required to submit an application (See General Guidelines (http://catalog.montana.edu/graduate/policiestext-admissions/) for application fee specifics). This fee can be paid by credit card or online check; there is no paper application. The application fee will not be waived, deferred, or refunded for any reason. The application fee must be paid before the application will be processed (See the link to the Board of Regents Policy (https://www.montana.edu/registrar/residency/resfaq.html)). If applying to more than one program, see Dual Degree (http://catalog.montana.edu/graduate/policiestext-admissions/#dual_degree).

TUITION (http://catalog.montana.edu/expenses/) — Tuition fees reflect estimated costs for tuition, fees and other charges. These estimated costs are subject to change. Additionally, there may be additional fees for specific programs or services. See this link to department websites (https://www.montana.edu/academics/graduate/). Tuition for an out-of-state student is higher than a Montana resident. To find out how to change residency in order to gain in-state status, see the link to the Residency Policy (https://www.montana.edu/registrar/residency/resfaq.html).

TRAINING & DEVELOPMENT — A one-time $50 training and development fee is charged for training, orientation, and development regardless of attendance. The orientation is mandatory and covers the following topics: FERPA (https://www.montana.edu/policy/family_ed_privacy_act/), Residency (https://www.montana.edu/registrar/residency/resfaq.html), Title IX (https://www.montana.edu/equity/), Office of Research Compliance & Ethical Conduct (http://www.montana.edu/wwwvr/RCCJ), Disability Services, (http://www.montana.edu/disabilityservices/) Veteran Services (https://www.montana.edu/veteran/), and other important information necessary for all new graduate students. This fee also covers a Graduate Teaching Assistant (GTA) training (https://www.montana.edu/gradschool/admissions/orientation-gta-videos.html) held by The Graduate School. This training is encouraged for a GTA seeking additional training. Training may include the following topics: Teaching on D2L, Using Technology in the Classroom, Effective Teaching Styles, The Do's and Don'ts of being a GTA, and so forth.

**Note: Attendance at MSU freshman orientation is not a substitute for graduate student training and orientation.**

AUDIT — A $20.00 fee is charged each time a student submits a Graduation Application (https://www.montana.edu/gradschool/forms.html). This audit fee may also be charged for re-enrollment (see Re-Enrollment (http://catalog.montana.edu/graduate/policiestext-enrollment-registration-residency/#reenrollment)).

GRADUATION — A one-time $40.00 fee is charged the first time a student submits a Graduation Application (https://www.montana.edu/gradschool/forms.html).
