

The Graduate School

Graduate Programs

Department of Graduate Studies

- M.S. in Materials Science & Engineering (<http://catalog.montana.edu/graduate/interdisciplinary-other-programs/ms-materials-science/>) - *Because this program is interdisciplinary spanning the colleges of Letters & Science and Norm Asbjornson College of Engineering and has affiliated faculty from 7 departments, the Graduate School will serve as the academic home of the program.*
- Ph.D. in Materials Science & Engineering (<http://catalog.montana.edu/graduate/letters-science/chemistry-biochemistry/phd-materials-science/>) - *The Doctor of Philosophy in Materials Science & Engineering degree program is an interdisciplinary program managed by the departments of Chemistry & Biochemistry, Physics, Chemical & Biological Engineering, Mechanical & Industrial Engineering, and Electrical & Computing Engineering.*
- Ph.D. in Individual Interdisciplinary Program (<https://catalog.montana.edu/graduate/interdisciplinary-other-programs/interdisciplinary-individual-phd/>)
- Ph. D. in Molecular Biosciences (<http://catalog.montana.edu/graduate/molecular-biosciences-program/>)

Department of WWAMI/Medical Science

- WWAMI Medical Education Program (<http://catalog.montana.edu/graduate/interdisciplinary-other-programs/wwami-medical-program/>) (Non-Degree)
