

Entrepreneurship Certificate

The Entrepreneurship Certificate provides **non-business majors** with an overview of the business startup process in order to prepare them to start their own businesses or non-profit organizations. **It is not available to business majors or to students pursuing an Entrepreneurship & Small Business Management minor.**

Students completing the Entrepreneurship Certificate will be able to:

1. Demonstrate understanding of the business startup process
2. Apply fundamental concepts in accounting, finance, management and marketing to solve startup related problems
3. Create a business model for a new business venture

The Entrepreneurship Certificate consists of three required courses and two electives for a total of 15 credits. In accordance with the Board of Regents' policy, students must earn a C- or better in all courses in a minor or certificate.
