

# Technology Education Minor

A student must receive a grade of *C* or better in all the minor's required courses and a student must have a GPA of 3.00 or higher.

DDSN 114	Introduction to CAD	3
TE 207	Materials and Processes	4
AGED 397	Educational Methods in CTE	1
TE 410	Computer Aided and Industrial Machining and Manufacturing	4
EDM 411	Methods: 5-12 Ag & Tech Ed	3
AGTE 417	Manufacturing Technology	3
AGED 485	Laboratory Management and Teaching in CTE	3
Choose 3 of the following:		9
AGED 315	Electrical and Power Systems Operation (Choose 3 of)	
AGTE 330	Alternative Power & Energy Technology	
TE 332	Remote and Autonomous Aircraft Systems	
AGED 333 or ARCH 241	Construction Technology Building Construction I	
<b>Total Credits</b>		<b>30</b>
