<sup>1</sup> ECNS 251IS Honors Economics (4 credits) may be substituted for the three-course sequence: ECNS 101IS, ECNS 202, and ECNS 204IS. However, students must still complete at least a total of 25 credits for the minor. The additional 2 credits may be filled with an approved substitution. Please see the DAEE student success coordinator to review approved substitutions.

Agricultural Business and Financial Engineering students seeking a minor in Economics must complete 3 upper division directed elective courses beyond the requirements for their major.

## Graduation Requirements

A student must receive a grade of C- or better in all courses required for the minor.

"P" grades may be accepted for courses transferred from outside the Montana State University system. The department certifying officer will evaluate written requests.
